PLAYGON - Maker of VegasLounge ANNOUNCES THE LAUNCH OF ODDS UP ROULETTE

VANCOUVER, British Columbia – Nov 15, 2023 – Playgon Games Inc. (TSX-V: DEAL / OTCPIK: PLGNF/ Frankfurt: 7CR) (“Playgon” or the “Company”), a SaaS technology company delivering innovative mobile live dealer technology to online gaming operators globally, is pleased to announce the launch of its new proprietary game called Odds UP Roulette®.

Designed around Single Zero Roulette rules, Odds UP Roulette features two to five (2 to 5) randomly generated Lucky Numbers in each game round that boost multipliers from 50:1 to a impressive 1000:1 payout for players who have placed straight-up bets on the corresponding winning number. Non-multiplied straight-up bets pay 30:1. All other bets such as splits, corners, red/black and dozens are settled according to Single Zero Roulette rules.

The key features of this proprietary roulette game compared to similar type games in the market from a players perspective are better odds in terms of hitting a lucky multiplier number. It promotes increased Lucky Numbers, 2 to 5, compared to the standard 1 to 5 and more frequent and higher multipliers..These features are designed to enhance the gaming experience while closely aligning with the standard return-to-player percentages.

Guido Ganschow President of Playgon says, “With Odds UP Roulette, we've redefined the game by offering players not just a chance, but a thrilling opportunity to multiply their wins. Our unique approach with 2 to 5 Lucky Numbers and the potential for an impressive 1000:1 payout sets a new standard in the world of online roulette. It's all about delivering an electrifying gaming experience while maintaining the integrity of the game's standard return-to-player percentages“
