MANAGEMENT INFORMATION CIRCULAR

This management information circular (the “**Circular**”) is furnished in connection with the solicitation by the management of Playgon Games Inc. (“**Playgon**”, “**we**”, “**us**” or the “**Corporation**”) of proxies to be used at the annual general and special meeting (the “**Meeting**”) of the holders (the “**Shareholders**”) of common shares (the “**Shares**”) of the Corporation to be held at the offices of Playgon, located at 675 West Hastings Street, suite 1500 Vancouver, BC, Canada V6B 1N2 on October 8, 2021, at 10:00 a.m. (Vancouver time) for the purposes set forth in the notice of annual general and special meeting dated September 10, 2021 (the “**Notice of Meeting**”). References in the Circular to the Meeting include any adjournment(s) or postponement(s) thereof. It is expected that the solicitation of proxies will be primarily by mail, however, proxies may also be solicited by the officers, directors and employees of the Corporation by telephone, electronic mail, telecopier or personally. These persons will receive no compensation for such solicitation other than their regular fees or salaries. All costs of solicitation by management will be borne by the Corporation. Unless otherwise specified, all information in this Circular is current as of September 10, 2021.

All references to “\$” or dollars in the Circular are to Canadian dollars.

APPOINTMENT OF PROXYHOLDER

The individuals named as proxyholders in the accompanying form of proxy are directors and/or officers of the Corporation. **A REGISTERED SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM OR HER AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY STRIKING OUT THE NAMES OF THOSE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY AND INSERTING THE DESIRED PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY AND SIGNING AND DATING THE PROXY, OR BY COMPLETING ANOTHER FORM OF PROXY.** A proxy will not be valid unless the completed form of proxy is received by Computershare before 5:00 pm (Vancouver time) on October 6, 2021 or, with respect to any matters to be dealt with at any adjournment of the Meeting, before the time of the re-commencement of the adjourned Meeting. Proxies delivered after such time(s) may not be accepted.

REVOCAION OF PROXIES

A Shareholder who has given a proxy may revoke it prior to its use by an instrument in writing executed by the Shareholder or by his attorney duly authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer or attorney of such corporation, and delivered to the registered office of the Corporation, at located at 675 West Hastings Street, suite 1500 Vancouver, BC, Canada V6B 1N2 (Attention: Chief Financial Officer) at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, preceding any reconvening thereof, or to the chair of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof, or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF PROXIES

The Shares represented by a properly executed proxy in favour of persons designated as proxyholders in the enclosed form of proxy will: (a) be voted or withheld from voting in accordance with the instructions of the person appointing the proxyholder on any ballot that may be called for; and (b) where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted in accordance with the specifications made on such proxy. **SUCH SHARES WILL BE VOTED IN FAVOUR OF EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED, OR WHERE BOTH CHOICES HAVE BEEN SPECIFIED, AS DIRECTED BY THE SHAREHOLDER.**

The enclosed form of proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed proxyholder thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to any other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated by management as proxyholders in the enclosed form of proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Circular, the management of the Corporation knows of no such amendment, variation or other matter that may be presented to the Meeting. However, if any other matters which are not now known to the management should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the nominee.

Only registered Shareholders or proxyholders duly appointed by registered Shareholders are permitted to vote at the Meeting. Most Shareholders of the Corporation are “non-registered” Shareholders because the Shares they own are not registered in their names but are instead registered in the name of a brokerage firm, bank or other intermediary or in the name of a clearing agency. Shareholders who do not hold their Shares in their own name (referred to herein as “Beneficial Shareholders”) should note that only registered Shareholders are entitled to vote at the Meeting. If Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Shares will not be registered in such Shareholder’s name on the records of the Corporation. Such Shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which company acts as nominee for many Canadian brokerage firms). Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting Shares for the brokers’ clients. Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

Regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Corporation to the registered Shareholders. However, its purpose is limited to instructing the registered Shareholder (i.e. the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate the responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of Shares must be communicated to Broadridge well in advance of the Meeting) in order to have the Shares voted.

Beneficial Shareholders fall into two categories – those who object to their identity being known to the issuers of securities which they own (“**Objecting Beneficial Owners**”, or “**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**Non-Objecting Beneficial Owners**”, or “**NOBOs**”). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from intermediaries via their transfer agents. If you are a Beneficial Shareholder, and the Corporation or its agent has sent these materials directly to you, your name, address and information about your holdings of Shares have been obtained in accordance

with applicable securities regulatory requirements from the intermediary holding the Shares on your behalf. The Corporation's OBOs can expect to be contacted by Broadridge or their broker or their broker's agents as set out above.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of their broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the proxy or voting instruction card provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

All references to Shareholders in this Circular and the accompanying form of proxy and Notice of Meeting are to registered Shareholders unless specifically stated otherwise.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in this Circular, no other person who is, or at any time since the beginning of Fiscal 2020 (as defined below), was, a director or executive officer of Playgon, a proposed nominee for election as a director of Playgon, or an associate or affiliate of any such director, executive officer or proposed nominee, has any material interest, direct or indirect, by way of beneficial ownership or otherwise, in matters to be acted upon at the Meeting other than the election of directors.

Cease Trade Orders and Bankruptcies

No nominee director is as of the date hereof or has been within 10 years before the date hereof a director, chief executive officer or chief financial officer of any company (including the Corporation) that is or has been the subject of a cease trade order or other similar order (including a management cease trade order) or an order that denied the relevant company access to any exemption under securities legislation, in each case that was in effect for a period of more than 30 consecutive days and that was issued either (i) while the nominee director was acting in that capacity, or (ii) after the nominee director ceased to be a director, chief executive officer or chief financial officer of such company but that resulted from an event that occurred while the nominee director was acting in such capacity.

No nominee director is as of the date hereof or has been within 10 years before the date hereof a director or executive officer of any company (including the Corporation) that, while the nominee director was acting in that capacity or within a year of him or her ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Penalties or Sanctions

No nominee director has been subject to (i) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority, or (ii) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor in making an investment decision or to a reasonable securityholder in deciding whether to vote for a nominee for a position of a director.

By filling in the accompanying form of proxy, Shareholders may vote for all Directors or choose to withhold their vote from some or all of the Directors proposed for election.

The Board of Directors recommends that Shareholders vote **FOR** the election of each of the seven proposed nominees whose names are set out in the “Election of Directors” section of this Circular.

Unless otherwise directed, the persons named in the enclosed form of proxy intend to vote FOR the election, as Directors, of each of the seven proposed nominees whose names are set out in the “Election of Directors” section of this Circular

Appointment of Auditor

The auditor of Playgon is D&H Group LLP (“**D&H**”), located in Vancouver, British Columbia. D&H has been the auditor of Playgon since March 6, 2007. At the Meeting, Shareholders will be asked to approve the appointment of D&H as the auditor of Playgon and its subsidiaries for the ensuing year and to authorize the Board to fix the remuneration of the auditor.

To be effective, the appointment of D&H and the authorization for the Board to fix the auditor’s remuneration must be approved by at least a majority of the votes cast by the Shareholders.

The Board of Directors, on the advice of the Audit Committee, recommends that Shareholders vote **FOR** D&H Group LLP, to be reappointed as independent auditor of the Corporation at a remuneration and term of engagement to be fixed by the Directors of the Corporation.

Unless otherwise expressly directed to the contrary in the form of proxy, the persons named in the Form(s) of Proxy intend to cast the votes to which the Shares represented by such proxy are entitled FOR appointing D&H as the auditor of Playgon and its subsidiaries for the ensuing year and to authorize the Board to fix the remuneration of the auditor.

Ratification of Stock Option Plan

In July 2004, the Corporation established a 10% “rolling” stock option plan (the “**Option Plan**”) whereby the maximum number of Shares that may be reserved for issuance pursuant to such plan will not exceed 10% of the issued Shares of the Corporation at the time of the stock option grant. In 2014, the Option Plan was amended and reinstated to bring it current with the policies of the TSX Venture Exchange (the “**TSXV**”). The purpose of the Option Plan is to provide the Corporation with a share-related mechanism to attract, retain and motivate qualified directors, officers, employees and other service providers, in order to reward directors, officers, employees and other service providers for their contribution toward the long-term goals of the Corporation and to enable and encourage such individuals to acquire Shares of the Corporation as long-term investments. For a summary of the Stock Option Plan, please see “Statement of Executive Compensation – Stock Option Plan”. A copy of the Option Plan is available upon request from the Corporation at the Corporation’s head office at Suite 1500, 675 West Hastings Street, Vancouver, British Columbia.

Pursuant to TSXV policies, a TSXV-listed issuer is required to obtain the approval of its shareholders for a “rolling” stock option plan at each annual meeting of shareholders. Accordingly, at the Meeting, Shareholders will be asked to approve an ordinary resolution to approve the Option Plan for the ensuing year (the “**Option Plan Resolution**”), which, to be effective, pursuant to TSXV policies, must be passed by not less than a majority of the votes cast by disinterested Shareholders at the Meeting.

The text of the Option Plan Resolution is as follows:

“BE IT HEREBY RESOLVED that:

3. any one director or officer of the Corporation be and is hereby authorized and directed to do all such things and to execute and deliver all documents and instruments as may be necessary or desirable to carry out the terms of this resolution.”

The Board recommends that Shareholders vote FOR the Option Plan Resolution. Unless the Shareholder has specifically instructed in the form of proxy or voting instruction form that the Shares represented by such proxy or voting instruction form are to be voted against the Stock Option Plan Resolution, the persons named in the proxy or voting instruction form will vote FOR the Stock Option Plan Resolution.

Stock Option Plan

The following information is intended to be a brief description of the Option Plan and is qualified in its entirety by the full text of the Option Plan. Capitalized terms used but not defined in this brief description are defined in the Option Plan.

- (1) To be eligible for the issuance of a stock option under the Option Plan an optionee must either be a director, employee (including an officer) or consultant of the Corporation or any subsidiary of the Corporation or a company owned by an employee, director or consultant at the time the option is granted. Options may be granted only to an individual or to a company that is owned by individuals eligible for an option grant.
- (2) The options granted pursuant to the Option Plan will be exercisable at a price which is not lower than the market value of the Corporation's Shares at the time the option is granted less any applicable discounts permitted by the applicable regulatory authorities. "Market Value" will be the closing trading price of the Corporation's Shares on the TSXV or such other principal stock exchange upon which the Shares are listed on the trading day immediately preceding the date of the grant of the option.
- (3) Options granted under the Option Plan will be granted for a term not to exceed ten years from the date of their grant. All options will terminate on the earlier of the expiry of their term and the date of termination of an Option Holder's employment, engagement or position with the Corporation if terminated for just cause or on such other bases as set out in the Option Plan, otherwise 90 days following termination of employment or cessation of the Option Holder's position with the Corporation.
- (4) The Corporation's Board may, at their discretion, impose vesting provisions on options granted under the Option Plan. Notwithstanding any vesting schedule to which options are subject, options shall cease to vest immediately if the employment or engagement of an Option Holder as an Employee or Consultant or the position of an Option Holder as a director or officer of the Corporation or a Subsidiary is terminated for any reason whatsoever. In such case, the Option Holder may only exercise such number of options that are vested as at the date of termination of such Option Holder's employment, engagement or appointment as a director or officer. Consistent with prior practices of the Board, upon (a) an Option Holder ceasing to be a director of the Corporation to make room for a new incoming director, all of the Option Holder's unvested options will automatically vest as of the Option Holder's resignation date. However, if the Option Holder ceases to be on

the Board as a result of compliance reasons that prohibit the Corporation from securing a gaming licence in any jurisdiction a licence is applied for, all of the Option Holder's unvested options will not vest.

- (5) Options will also be non-assignable and non-transferable; provided that they will be exercisable by an Option Holder's legal heirs or personal representatives, subject to the expiry date of such option, for up to 12 months following the death or termination of an Option Holder due to disability, and up to 12 months following the death of an Option Holder terminated for disability within the previous 12 months.
- (6) The number of Shares of the Corporation reserved for issuance to any one person on a yearly basis cannot exceed 5% of the number of issued and outstanding Shares of the Corporation at the time of the grant of options, unless the Corporation has obtained disinterested shareholder approval as required by the TSXV. The aggregate number of options granted to employees or consultants engaged in investor relations activities must not exceed 2% of the outstanding issue in any 12-month period and such options must vest in stages over 12 months with no more than 25% of the options vesting in any three-month period.
- (7) In the event that the expiration date of options granted under the Option Plan falls in a period during which the Corporation has imposed a restriction on its directors, officers, employees and consultants from trading in securities of the Corporation, the expiry date of such options will be extended for a period of time ending on the tenth business day after the expiry of the Black-Out to provide such Option Holders with an extension to the right to exercise such options, so long as the expiry date does not exceed ten years from the date of grant of such options.
- (8) If a material alteration in the capital structure of the Corporation occurs as a result of a consolidation, subdivision, conversion, exchange, reclassification or otherwise, the Board shall make adjustments to the Option Plan and to the options then outstanding under it as the Board determines to be appropriate and equitable under the circumstances, unless the Board determines that it is not practicable or feasible to do so, in which event the options granted under the Option Plan will terminate as set forth above.
- (9) The Board may amend the terms of the Option Plan or the terms and conditions of any option thereafter to be granted, subject to approval of any stock exchange on which the Corporation is listed, provided that where such amendment relates to an existing option and it would materially decrease the rights or benefits accruing to an Option Holder or materially increase the obligations of an Option Holder, then, unless otherwise excepted out by a provision of the Option Plan, the Board must also obtain the written consent of the Option Holder in question to such amendment. If at the time the exercise price of an option is reduced the Option Holder is an insider of the Corporation, the insider must not exercise the option at the reduced exercise price until the reduction in exercise price has been approved by the disinterested Shareholders of the Corporation.

The Option Plan was last ratified, confirmed and approved by the Shareholders at the Corporation's annual general meeting held on September 10, 2020. Pursuant to TSXV Policy 4.4—*Incentive Stock Options*, the Corporation must obtain shareholder approval for the Option Plan at the Meeting.

Oversight and Description of Director and Named Executive Officer Compensation

Named Executive Officer Compensation

Compensation, Philosophy and Objectives

The CEO and the Board, as necessary, meets with the Corporation's compensation committee (the "**Compensation Committee**") to discuss and determine management compensation, without reference to formal objectives, criteria or analysis. The general objectives of the Corporation's compensation strategy are to (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value; (b) align management's interests with the long-term interests of Shareholders; and (c) ensure that the total compensation package is designed in a manner that takes into account the constraints that the Corporation is under by virtue of the fact that it is a start-up technology company with a limited history of earnings.

The Board, as a whole, ensures that total compensation paid to all Named Executive Officers is fair and reasonable. The Board as a whole recommends levels of executive compensation that are competitive, motivating and commensurate with the time spent by executive officers in meeting their obligations. While the Board does not have direct experience related to executive compensation, the Board relies on their experience as officers and directors.

Analysis of Elements

Base salary is used to provide the NEOs a set amount of money during the year with the expectation that each NEO will perform his responsibilities to the best of his ability and in the best interests of the Corporation.

The Corporation considers the granting of incentive stock options to be a significant component of executive compensation as it allows the Corporation to reward each NEO's efforts to increase value for Shareholders without requiring the Corporation to use cash from its treasury. Stock options are generally awarded to executive officers at the commencement of employment and periodically thereafter. The terms and conditions of the Corporation's stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Option Plan. A description of the significant terms of the Option Plan is found under the heading "Stock Option Plans and other Incentive Plans".

The Corporation does not determine executive compensation based on the share price performance. Overall, the salaries or consulting fees payable to the NEOs, in particular to the CEO, have had a minor upward trend in order to provide competitive levels of compensation necessary to attract and maintain executive talent.

Option-based Awards

The Corporation has no long-term incentive plans other than the Option Plan. The Corporation's directors, employees, officers and certain consultants are entitled to participate in the Option Plan. The Option Plan is designed to encourage share ownership and entrepreneurship on the part of the senior management and other employees. The Board believes that the Option Plan aligns the interests of the NEOs and the Board with Shareholders by linking a component of executive compensation to the longer-term performance of the Corporation's Shares.

Options are granted by the Board. In monitoring or adjusting the option allotments, the Board takes into account its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous option grants and the objectives set for the NEOs and the Board. The scale of options is generally commensurate to the appropriate level of base compensation for each level of responsibility. In addition to determining the number of options to be granted pursuant to the methodology outlined above, the Board also makes the following determinations:

- parties who are entitled to participate in the Option Plan;
- the exercise price for each stock option granted, subject to the provision that the exercise price cannot be lower than the prescribed discount permitted by the TSXV from the market price on the date of grant;
- the date on which each option is granted;
- the vesting period, if any, for each stock option;
- the other material terms and conditions of each stock option grant; and
- any re-pricing or amendment to a stock option grant.

The Board makes these determinations subject to and in accordance with the provisions of the Option Plan. The Board reviews and approves grants of options on an annual basis and periodically during a financial year.

For Fiscal 2020, the significant elements of compensation paid and awarded to each Named Executive Officer were management fees paid by the Corporation indirectly to Messrs. Krogh, Dever, and Nijjar. See "Table of Compensation Excluding Compensation Securities" and "Employment, Consulting and Management Agreements".

See "Stock Option Plan" for a discussion on incentive stock options that may be awarded to Named Executive Officers.

Director Compensation

The Board, in consultation with the Compensation Committee, determines director compensation from time to time. Directors who are not also officers of the Corporation are currently paid \$2,500 per month for serving on the Board. Directors are entitled to be reimbursed for reasonable expenditures incurred in performing their duties as directors, and the Corporation may, from time to time, grant to its directors incentive stock options to purchase Shares in the capital of the Corporation. See "Stock Option Plan" for a discussion on incentive stock options that may be awarded

to the directors of the Corporation. No stock options were granted to any directors during Fiscal 2020. There are no arrangements for compensation with respect to the termination of directors in the event of a change or control of the Corporation, other than pursuant to the terms of the Option Plan, any stock options that are the subject of vesting provisions will, in the event of a Triggering Event (as defined in the Option Plan), which includes a change of control, immediately become exercisable.

Recent Significant Changes to the Corporation’s Compensation Policies

There have been no significant changes to the Corporation’s compensation policies during Fiscal 2020 that could or will have an effect on Named Executive Officer or director compensation.

Pension Benefits

The Corporation does not provide retirement benefits for directors or Named Executive Officers.

CORPORATE GOVERNANCE

National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), requires all reporting issuers to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines adopted in National Policy 58-201 - *Corporate Governance Guidelines* (“**NP 58-201**”). These guidelines are not prescriptive. Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Corporation. The Board is committed to sound corporate governance practices, which are both in the interests of its Shareholders and contribute to effective and efficient decision making. The Board is of the view that the Corporation’s general approach to corporate governance, summarized below, is appropriate and substantially consistent with the objectives reflected in NP 58-201.

Board of Directors

The Board currently consists of six directors: Darcy Krogh, James Penturn, William Scott, Michele Marrandino, Jason Meretsky and Guido Ganschow. Messrs. Scott, Marrandino and Meretsky are independent directors as defined in NI

The Board facilitates the exercise of independent supervision over management through various Board meetings held throughout the year. At present, the Board does not have any formal committees other than its Audit Committee and Compensation Committee. When necessary, the Board will strike a special committee of independent directors to deal with matters requiring independence. The composition of the Board is such that the independent directors have significant experience in business affairs. As a result, these Board members are able to provide significant and valuable independent supervision over management.

Directorships

The following directors of the Corporation are also currently directors of the following other reporting issuers:

Director orientation and ongoing training will include presentations by senior management to familiarize directors with the Corporation's strategic plans, its significant financial, accounting and risk management issues, its compliance programs, its principal officers and its internal and independent auditors.

Ethical Business Conduct

The primary step taken by the Corporation to encourage and promote a culture of ethical business conduct is to conduct appropriate due diligence on proposed directors and ensure that proposed directors are of the highest ethical standards. The Board does not currently have a written code of ethical business conduct for its directors, officers and employees. Each director, officer and employee is expected to comply with relevant corporate and securities laws and, where applicable, the terms of their employment agreements. In the event of a conflict of interest at a meeting of the Board, the conflicted director will disclose the nature and extent of his interest and abstain from voting on or against the approval of such participation.

Nomination of Directors

Once a Board vacancy occurs or is contemplated, any director may make recommendations to the Board as to qualified individuals for nomination to the Board. In identifying new candidates, the directors will take into account the mix of director characteristics and diverse experiences, perspectives and skills appropriate for the Corporation at that time. Proposals are put forth by the Board and management and considered and discussed. If a candidate looks promising, the Board and management will conduct due diligence on the candidate and if the results are satisfactory, the candidate is invited to join the Board.

Compensation

The Corporation has a Compensation Committee comprised of Michele (Mike) Marrandino (Chair), Jason Meretsky, both of which are independent directors of the Corporation, and James Penturn. From time to time, the independent directors of the Board, in consultation with the Compensation Committee, will review the compensation payable to the Chairman, CEO, CFO and President. Compensation for Board members is determined by the Board, in consultation with the Compensation Committee, in accordance with industry norms and with reference to each individual director's level of involvement with the Corporation. See "*Statement of Executive Compensation—Oversight and Description of Director and Named Executive Officer Compensation*".

Other Board Committees

The Corporation does not have any standing committees, other than the Audit Committee and the Compensation Committee.

Assessments

At present, the Board does not have a formal process for assessing the effectiveness of the Board, its committees and individual directors are performing effectively. These matters are dealt with on a case-by-case basis at the Board level.
